HPU/MTTM/2021/

Dated :-19/02/2022

The Department Council meeting was held today on Google meet at 10.00 a.m where following members have participated to discuss the matter regarding the news published about BHM course in Amar Ujala.

1. Prof. Chander Mohan Parsheera
2. Prof. Sushma Rewal Chugh
3. Prof. Sonia Khan
4. Dr. Nitin Vyas
5. Dr. Preeti R Nagal - Guest faculty of BHM course as special invitee

Prof. Chander Mohan Parsheera has briefed about a news published in Amar Ujala on 18.02.2021 where state regulatory commission has mentioned BHM course run by the university is invalid and a committee was constituted to check the status of affiliation in the affiliated colleges of HP university. In this regard, the notice of the AICTE of dated 18.03.2020 was placed where all the BHM enrolments before March 2019 were considered valid with three years degree. This notice was issued as R&P rules and approval of MHRD was duly taken.

HP University had started the BHM Course in 2011 with an intake of 40 students, but the course was suspended after 2013 in the larger interest of students owing to some unavoidable circumstances.

Later in 2020, HP University has again started the same course of three years with clear intentions to modify the curriculum for four years later. Because of COVID, the BOS cannot be called but the syllabus was designed during this period.

Concerning the above matter, following decision was taken in the department council meeting today -

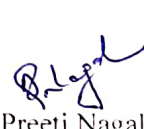

1. Since the AICTE has approved the three year Hotel Management Course (copy attached) for the batches admitted till March 2019, therefore the department council recommended to convene immediate BOS meeting to add two semesters strictly as per the requirements of AICTE/ UGC to make it a four year degree. The students admitted in affiliated colleges in 2019 will be promoted for the 7th semester in July 2022 and their four year degree will complete in July 2023. With this arrangement, none of the student will be passing out Hotel Management degree from HP University and it's affiliated colleges violating any rules.

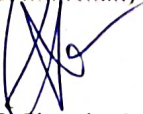

The meeting ended with the vote of thanks to the chair.
